## PEER TO PEER SUPPORT

Family Partners of Morris and Sussex Counties, Family Support Organization, is a private family led organization that provides support for families with children who have special mental health, emotional or behavioral challenges and is based on three core principals;

*Support, Education and Advocacy*

### *Support:*

Our Family Support Partners are parents and caregivers of children with emotional, behavioral and/or mental health challenges. We provide intensive, individual support to families to make sure that the family voice is heard and the family vision is achieved.

We assist families during critical situations such as a hospitalization or entering a residential facility, appearing in court, school meetings and child family team meetings.

We engage families in the community helping them to identifying their strengths and building on those strengths to address their needs and goals.

### *Support groups:*

Parent Support Groups, Grandparent Support groups, Spanish Support Groups, and Parent Networking Groups are offered every month.

## EDUCATION & ADVOCACY

### *Education:*

Family Support Partners educate parents & caregivers of their rights and responsibilities and provide community resources that may be available to assist them in reaching their family goals. Educational workshops are offered on a variety of topics relevant to children's mental health.

### *Advocate:*

We help families to advocate for their children on behalf of the family's needs and work to ensure that the needs, rights and preferences of families are heard and honored with the various systems which include: Juvenile Justice, DCP&P, Child Behavioral Health Services, & Education.
